

Moderator: Fort Worthian, Entrepreneur, Hotelier and TV host, Jonathan Morris:

If Jonathan Morris feels that a vibe is missing, he will find a way to fill that missing link.

His new 21-room boutique hotel, Hotel Dryce, will open this summer in Fort Worth's cultural district and he has declared it as his love letter to Fort Worth.

Jonathan is a man about community, inclusion and yes, diversity, so the hotel will be a space that everyone can call their own.
