(The availability of funds from the Tourism Special Fund established under the laws of the State of Hawai'i for any fiscal year (July 1 to June 30), shall initially be subject to the passage of a budget appropriation of public funds by the Legislature, and subsequently to the approval of an allotment of the budgeted funds by the Governor, through the Director of Finance, State of Hawai'i.) The head of purchasing must notify CONTRACTOR on a timely basis if funds are or are not available for continuation of the contract for each succeeding fiscal period. In the event of cancellation, CONTRACTOR will be reimbursed the unamortized, reasonably incurred, nonrecurring costs.

SECTION 3 – CONTRACTING PROCESS AND REQUIREMENTS

3.01

Award Letter

Awardee will receive a letter informing them of their selection, outlining the next steps in the contract execution process, introducing them to the managers they will be working with once the contract is executed, and advising them of any documents that are due (e.g. Updated or Revised Workplan, Certificate of Vendor Compliance.)

3.02

Contract Execution Process

The contract execution process consists of the following steps:

1. HTA received contractor's current Certificate of Vendor Compliance.
2. A PDF of the contract is emailed to the Contractor along with instructions. If contractor agrees with the terms, Contractor prints, signs, fills out, and notarizes the contract as instructed and mails the original back to HTA's Contract Specialist.
3. HTA signs the contract. Contract is sent to the attorney general's office.
4. Deputy attorney general approves the contract for form and signs. Contract is returned to HTA.
5. HTA makes copies of the contract and distributes as follows: HTA program manager, Contractor, Hawaii Department of Accounting and General Services (DAGS).
6. DAGS approves the contract. Once it is approved by DAGS, the contractor can start submitting invoices and deliverables as outlined in the contract's Payment Schedule.

3.03

Contractor Name

The contract will be between the STATE and CONTRACTOR. The STATE requires exact concurrence in all official documentation regarding the identity of the CONTRACTOR. This means that the name on the W9, the articles of incorporation, the certificate of vendor compliance, and on any invoices for payment, must be identical. There can be no variation in punctuation, entity type, dbas, and, of course, tax ID numbers. (See paragraph 4.05 for information on the certificate of vendor compliance.)

3.04

Payment

Contractor will be put on a payment schedule and each payment will have associated deliverables tied to it. Contractor will be required to submit an invoice along with any related deliverables in order to receive payment.

Official invoice date is the date that the invoice and all deliverables are received and accepted by the HTA. Invoice must include the name of the CONTRACTOR exactly as it appears on the contract. Please include contract number on invoice. All required deliverables must be received along with, or prior to, receipt of invoice. Invoices must be either unsigned or signed by Contractor in blue ink. Invoices submitted prior to receipt of the necessary deliverables will not be accepted and will have to be resubmitted. Fiscal year ends June 30 and entails the temporary shutdown of fiscal processes. Invoices received at the change of fiscal, between June 15 and July 31, may be subject to delays in processing. See your program manager for details.

3.05**Evaluation of Contract Performance**

Contractor will be evaluated on timeliness of deliveries, accuracy of forms, responsiveness to HTA requests and good communication in general.

3.06**Contract End Date and Time of Performance**

Reports are based on calendar year figures with the final calendar year being 2021. The contract end date will be extended to March 31, 2022 in order to allow time to create and compile required reports and other deliverables.

SECTION 5 – SCORING / EVALUATION CRITERIA

If the proposal is judged to be unfit it may be put aside as nonresponsive. SCORING NOTES

1. Preparation. Evaluators will read the RFP requirements and then review the applicant's Proposal response and assess how well it meets the needs of the HTA as defined by the RFP.
2. Worksheet Mandatory. The Evaluator Worksheet will be used by the evaluators. Evaluators will record their score on the Evaluator Worksheet. Scores will be based on the number of

points for each evaluation component, which is provided in the Scoring Range column of the worksheet.

3. Independent and Individual Review. The committee will review the received Responses and independently score each Proposal. Scores will be in accordance with the Scoring Rating System and will represent each evaluator's best subjective judgment.
4. Scoring Rating System. Each scored item will receive a score based on the rating descriptions. Use whole numbers only. A zero score is not allowed.
5. Convening Committee Meetings. The committee meeting(s) will be convened by the HTA Procurement Officer on the date and time designated. Each member will bring his/her completed Response evaluation forms. The members will discuss the individual scores and, as a result of the discussion, each member may adjust the member's individual scoring up or down as appropriate. There is no requirement that members reach agreement on the score for a particular question/requirement. In the event the members do not reach agreement on a score for a particular question/requirement, the HTA Procurement Officer will average the individual scores to determine the Proposer's score for that particular question/requirement.
6. Award Amounts. Award amounts are determined based on the applicant's request, the average evaluator score, the overall score ranking, and the collective agreement of the evaluators regarding what is in the best interests of the State.
7. Maintaining Agency Records. All evaluation/negotiation documents/forms completed by each evaluator and by the committee will be collected by the HTA Procurement Officer and become part of the official record and subject to the Hawai'i Open Records Act.

By submitting a proposal, applicant agrees to accept and abide by the terms of this RFP. The HTA reserves the right to reject any or all proposals, to waive any informality or irregularity, and to accept any proposals which it may deem to be in the best interest of the State of Hawai'i.

15. Presentations and Discussions with Applicants (if applicable)

- (a) Applicants Defined. As used herein in this RFP, "Applicants" means only those individuals, persons, or entities submitting proposals that are acceptable or potentially acceptable and does not include those who submitted unacceptable Proposals.
- (b) Presentations and Discussions defined. As used herein in this RFP, "Presentations" means non-written communication by Applicants to the Evaluation Committee under conditions set by the HTA. "Discussions" means any communication between an individual applicant and the Evaluation Committee or HTA staff for the purpose of allowing the HTA to complete its Proposal evaluation. Oral interviews may include Presentations and Discussions.
- (c) Discretionary. In its discretion, the HTA may decide to select based on written proposals alone as submitted and without any oral presentations or discussions.
- (d) Invitation. After evaluation of the proposals, the HTA may invite applicants it considers to be in the competitive range to participate in pre-award presentations and discussions. The HTA may limit the number of proposals in the competitive range to a reasonable number that will permit an efficient competition among the most highly rated proposals.
- (e) Participation. Each applicant that accepts the invitation will be required to provide access to the applicant's team assigned to this effort. The applicant's team may include a project manager that the applicant proposes to assign as part of the core project team.
- (f) Objectives. There are several objectives of the Presentation and Discussion, including:

- (1) To compare the HTA's requirements to the services proposed by the applicant as described in the written Proposal;
 - (2) To allow the applicant to demonstrate how the requirements can be satisfied by the proposal;
 - (3) To identify significant gaps in required and proposed services as described in the written proposal; and
 - (4) To provide the applicant with an opportunity to discuss their methodology, scope of services and project plan.
- (g) Location. The Presentation and initial Discussions will be at the HTA's facilities in the Hawai'i Convention Center on O'ahu, or by video conference at the HTA's discretion. Discussions may continue orally or in writing and may be done over the phone, by email, letter, or other method. All discussions must be originated by HTA.
- (h) Results. The HTA evaluation committee will evaluate each applicant on its participation in the Presentation and Discussions as part of its Phase Two Proposal evaluation unless HTA decides, in its sole discretion, to make an award based on written proposals alone.
- (i) Conduct of Discussions. Applicants in the competitive range will be accorded fair and equal treatment with respect to any opportunity for Presentations and Discussions and revisions of proposals. The HTA Procurement Officer for this RFP will establish schedules and procedures appropriate for this phase of the procurement. If during discussions there is a need for any substantial clarification of, or change in, the RFP, the RFP may be amended by a modification to incorporate such clarification or change. Auction techniques (revealing one applicant's price to another) and disclosure of any information derived from competing Proposals are prohibited. Any substantial oral clarification of a proposal must be reduced to writing by the applicant.
- (j) Best and Final Offer Discussions. HTA may, in its sole discretion, request that applicants submit a best and final offer (BAFO). The HTA may invite applicants it considers to be in the competitive range to participate in BAFO Discussions. The Procurement Officer may limit the number of proposals in the competitive range to a reasonable number that will permit an efficient competition among the most highly rated Proposals.

16. Modifications, Additional Materials, and Documentation

After the receipt of proposal, if HTA deems it desirable and in its best interest, the HTA may, in its sole discretion, request that the applicant provide additional information to clarify or supplement, but not basically change, any proposal as submitted. An applicant may submit revised proposals only if requested or allowed by the HTA Procurement Officer. Written responses must be provided as requested. Failure by any applicant to provide the additional requested information or to participate in a requested meeting may be a cause for disqualification as being nonresponsive to this RFP. The applicant shall have the responsibility to document all clarifications as change pages to the proposal.

17. Notice of Selection

- (a) Notice of Selection. An award letter will be sent to the selected applicant/s. The letter will introduce the awardee to their HTA manager and provide information regarding next steps, including a list of any outstanding documentation needed.
- (b) Notice of Non-Selection. A notice will also be sent to all non-selected applicants upon completion of the evaluation process. The notice of non-selection triggers the right to request a

debriefing and starts the clock for protests based on non-selection. The debriefing may be written or oral and may be included in the Notice of Non-Selection.

- (c) Execution. The designated HTA manager will work with the awardee to draft a Statement of Work based on the winning proposal to be incorporated into the contract or agreement. The contract needs to be signed and notarized by the awardee, signed by HTA, and approved by the attorney general's office. Once the contract is executed, the selected applicant/awardee will be referred to as the "Contractor."
- (d) HTA Board of Directors Funding Approval. Funding for contracts and options is subject to the approval of an annual fiscal year budget by the HTA Board of Directors. In the event the Board does not fund the budget item used to fund this contract, the contract may be terminated for the convenience of the government.
- (e) Start Work Date. No work is to be undertaken by the selected applicant prior to the contract commencement date after contract execution by both parties. HTA is not liable for any costs incurred prior to the official starting date.

18. Confidential Information

- (a) Procurement Sensitive Information. Each proposal will be considered to contain procurement sensitive information whether or not it is so marked. No part of a proposal will be released to other applicants or the public prior to contract execution. In the event that the RFP is cancelled, release of procurement files for inspection will be subject to applicable laws.
- (b) Marking Confidential and Proprietary Materials. If an applicant believes any portion of a proposal contains proprietary and/or commercial information that should be withheld from the public due to competitive injury that would result from public release during or after the solicitation, the applicant must mark designated proprietary data as confidential and provide justification to support confidentiality. Such data must accompany the proposal, be clearly marked, and must be readily separable from the proposal to facilitate eventual public inspection of the non-confidential sections. Any request for confidentiality is subject to review by STATE regarding applicability of the request to State law. Unless designated "Confidential and Proprietary," the proposal will be available for public inspection after the award of the contract.
- (c) Acceptable Markings. Applicants that include in their proposals data that they do not want disclosed to the public for any purpose, or used by the HTA except for evaluation purposes will be subject to the restrictions stated below.
 - (1) An applicant must mark the title page with a legend substantially similar to the following in accordance with the applicant's standard procedure or advice of counsel or other experts:
"This Proposal includes proprietary and confidential data that may not be disclosed outside the HTA and may not be duplicated, used, or disclosed, in whole or in part, for any purpose other than to evaluate this Proposal."
 - (2) The applicant must mark each sheet of data the applicant wishes to restrict with a legend substantially similar to the following in accordance with the applicant's standard procedure or advice of counsel or other experts:
"Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this Proposal."

- (3) If, however, a contract is awarded as a result of, or in connection with, the submission of data, HTA will have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit HTA's right to use information contained in proposals if it is obtained from another source without restriction.
- (d) Post-Award Disclosures. HTA may disclose the following information in post award debriefings to other applicants:
 - (1) The overall evaluated cost or price and technical rating of the successful applicant. (Note that the total price is not considered confidential and will not be withheld.)
 - (2) The range of scores and relative ranking of the applicant, if any ranking was developed by HTA during source selection.

19. Public Disclosure

Upon execution of the written contract, all documents submitted by the applicant and maintained by the HTA will be subject to public inspection and copying under the Hawai'i Uniform Information Practices Act provided in chapter 92F, Hawai'i Revised Statutes; provided that any information labelled as confidential commercial or proprietary information may be withheld subject to review by STATE regarding applicability of the request to State law.

20. Vendor Clearance

Hawai'i state law requires a Vendor Compliance Certificate (Tax Clearance, DCCA, and DLIR clearances) for all purchases/contracts of \$2,500 or more. These clearances are required prior to contract execution and must be maintained up to the time of final payment. Government agencies are exempt from this requirement. Hawai'i Compliance Express (HCE) allows organizations contracting with state and county agencies to quickly and easily demonstrate they are in compliance with state procurement laws.

There is an annual registration fee for the service. To register, go to: <https://vendors.ehawaii.gov>, complete the easy step-by-step process and pay with a credit card.

21. Legal Requirements

All contracts with HTA are subject to all applicable federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect any and all of the services covered herein. Contractor is also responsible for obtaining any and all required permits and licenses. Lack of knowledge by the applicant will in no way be cause for relief from responsibility.

22. Campaign Contributions by State and/or County Contractors

Applicants are hereby notified of the applicability of HRS Section 11-205.5, which states that campaign contributions to any political party, committee, or candidate or to any person for any political purpose or use are prohibited from HTA contractors during the term of the contract. For more information, FAQs are available at the Hawai'i Campaign Spending Commission at <http://www.hawaii.gov/campaign>.

23. Terms and Conditions of Contract

- (a) Fixed Price. This contract is a fixed price contract. Contractor will be responsible for completing all the work agreed to in the proposal and contract within the budget agreed to in the proposal contract unless otherwise agreed to by HTA. HTA approval is required for any expenses to be reimbursed.

- (b) Period of Performance. See Timeline for any contract term and options.
- (c) Not to Exceed. The HTA will set a not-to-exceed amount for goods and services under this contract based on contractor proposal and subsequent negotiations. The contractor must not exceed that limit without the express written consent of the HTA delivered via a supplemental to the contract.

- (e) General Conditions. The Agreement (contract) to be executed by the selected applicant shall include the General Conditions. These conditions can be found on the web at <https://dhrd.hawaii.gov/wp-content/uploads/2017/08/103D-General-Conditions.pdf>. By submitting a proposal, applicant acknowledges and agrees to the provisions stated in those General Conditions. HTA reserves the right to modify or waive any clauses of the General Conditions, subject to approval by the office of the attorney general. See Section V of this RFP, Contracting Process, for any exceptions.
- (f) Termination. During the term of the contract awarded pursuant to this RFP solicitation, HTA will review the performance of the contractor and may terminate the contract for reasons such as non- performance of the contractor, including the failure to conduct the project or event, failure to exceed HTA targets, change in the funding for this program, or for the convenience of HTA.
- (g) Interpretation. The order of precedence for interpreting the contract will be:
 - (1) Hawai'i State law; then
 - (2) The Executed Agreement with any modifications, amendments, or other properly documented changes; then
 - (3) The RFP as amended; then
 - (4) HTA regulations, policies, and procedures; then
 - (5) Contractor's final proposal; then
 - (6) Course of conduct; then
 - (7) Course of dealing; then
 - (8) General principles of government contracting; then
 - (9) Industry practices.

24. Execution of Contract

- (a) Exceptions. Proposals requiring any exceptions to the General Conditions included as Exhibit 1 to this RFP may be rejected in their entirety without further notice. Applicants may suggest alternate terms in the form of special conditions with a specific explanation of how the change would result in improvements to price, schedule, or performance. Such suggestions are not accepted or implemented unless included in the final terms and conditions in the Agreement signed by both parties.
- (b) Execution. Upon the receipt of all required information, documentation, attachments, and the certificate of vendor compliance the contractor and the HTA will execute the final written agreement.
- (c) Unauthorized Work. Unless otherwise agreed, a contractor may not perform any work prior to the execution of a written contract by HTA and a contractor. All unauthorized work performed

by the contractor prior to the execution of the written contract will be at the contractor's sole cost and expense.

25. Protests

- (a) Raising Concerns. Interested parties who have concerns regarding a solicitation, specifications, award, or other decision of the procurement officer should first discuss the concern with the HTA Procurement Officer within the protest time periods provided for in this RFP.
- (b) Protests. If the procurement officer does not resolve the concern to the satisfaction of the interested party, the interested party may formally protest to the HTA's President and Chief Executive Officer.
- (c) Timeliness. Interested parties must file any protest regarding the terms of the RFP, the service specifications, or documents referenced in the RFP in writing prior to the deadline for protests of the content of the RFP. Applicants must file any protest relative to rejection of proposals, non-inclusion in the competitive range, the contract award or other perceived wrongs in writing within five (5) calendar days after the aggrieved person knows or should have known of the facts giving rise thereto, or within five (5) calendar days of the postmark or the electronic transmission date of a notice from HTA. Any issue or claim that the applicant does not protest in a timely manner is waived. Discussing concerns with the procurement officer or other HTA officials or engaging in other forms of dispute resolution does not stay the timeliness clock for protests.
- (d) Notice of Protest. The Notice of Protest may be sent as an email attachment to the email listed below, sent via USPS, or hand delivered. Email signature, postmark, or date stamp must be within five (5) calendar days after the postmark or electronic transmission date, whichever is earlier, of the deadline for protests listed in the procurement timeline, the Notice of Award, or other notice sent to the protestor

HTA will consider delivery services other than USPS if received by the HTA on or before the due date.

27. Cancellation of Request for Proposal

HTA may transmit letters or provide responses to questions to applicants via facsimile or email (in lieu of letters by mail) for all matters regarding this RFP solicitation after receipt of Proposals. HTA will use the facsimile number and the email address provided by the applicant on the Applicant Interest Form (Form A). If the HTA sends letters via facsimile machine or email, successful transmission of the letter, as evidenced by the transmission report generated by the HTA's facsimile machine or the "Sent" date shown on the HTA's email, will constitute official notification to and receipt by the applicant. The date and time recorded on the HTA's transmission report or "Sent" email will be the official date and time of receipt by the applicant.

29. Conflicts of Interest

Applicants shall avoid all conflict of interests that will not prevent and deter fraud, waste, and abuse, or will not provide increased economy to maximize to the fullest extent practicable, the purchasing value of public funds. Any credible and reliable proof of such conflict of interest shall be cause to terminate any contract with HTA and withhold any funding or compensation.

30. Suspended or Debarred Contractors

A person or affiliate who is under investigation for procurement impropriety or is currently suspended or debarred in any jurisdiction, or placed on a convicted applicant list may not submit a proposal on a contract to provide any goods or services to the HTA and may not be awarded or perform work as a contractor, employee, agent, supplier, subcontractor, or consultant.

31. Collusion

The applicant, by submitting a proposal, certifies that its proposal is made without previous understanding, agreement or connection either with any person, firm, or corporation submitting a proposal for the same services, or with the HTA. The applicant certifies that its proposal is fair, without control, collusion, fraud, or other illegal action.
